**DISCLAIMER:** This website is intended to provide the public with general information about the Fortune Coin. Nothing contained within this website, including the video contained herein, should be construed as an offer to sell, or a solicitation of an offer to buy, any security or investment product – the Fortune Coin is no such thing. It is simply a cryptocurrency or Distributed Ledger Technology (DLT) token (like bitcoin). This website contains certain statements that are either satirical, baseless, ridiculous or a combination thereof. At the very best, statements are forward-looking statements which include statements and assumptions relating to: plans and objectives for future operations or token development (of which there are none). These statements can generally be identified by the use of forward-looking terminology including “may,” “believe,” “will,” “expect,” “anticipate,” “estimate,” “continue”, “rankings” or other similar words. The Fortune Coin developers do not make any representations or warranties (express or implied) about the accuracy of such forward-looking statements. Fortune Coin and its creators promise absolutely no earthly functionality or benefits through the use or holding of Fortune Coin beyond that of a durable, transferrable blockchain digital token or coin, nor is any exchange-listing or valuation of Fortune Coin in terms of any real-world assets, including fiat currencies or other blockchain tokens/coins, represented or guaranteed.

# Introducing Fortune Coin

For the past 2,000 years, many people are still experiencing poverty which have transformed our economy for years to come. What was once in the past has become big business. Whether it's Bill Gates from Microsoft, billionaire Warren Buffett from Berkshire Hathaway or Jeff Bezos from Amazon. You can now inherit from these big businessmen.

## It's time to decentralize inheritance!

Using the cryptographic breakthrough of the blockchain ledger and anonymous cryptocurrencies, Fortune Coin has been developed as THE currency of Decentralized Inheritance. Inheritance is the largest grouping in the world, with over 87 million followers, and we deserve our own currency.

To end world poverty, we came up with a solution that would allow you to end poverty through inheritance. Inherit Coin allows you to inherit assets from anyone you want to inherit from. This is not for everyone. The power to inherit only becomes exclusively available to those who are token holders! \*

\* Probably impossible

# Why Fortune Coin is Necessary

Unlike other cryptocurrencies, Fortune Coin has the unique advantage of providing global access to wealth as it makes getting inheritance safer and faster due to the use of blockchain technology, somehow. Fortune Coin investors can gain from the competitive advantage of being closer to wealth, all while benefiting from low transaction costs and maximum transparency and security. Additionally, Fortune Coin helps in the war against poverty\* within the world by making all transactions anonymous on the blockchain. It is estimated that billions of dollars of funds currently laundered and plundered would be saved due to the global usage of Fortune Coin within wealth building.

**BUT MOST OF ALL YOU'LL BE HAPPY BUILDING  
WEALTH WITH US.**

For the first time in history you'll be able to build legitimate wealth through decentralized inheritance. Poverty is only increasing and we're here to help decrease poverty and increase wealth. Just how Bitcoin changed the face of

ecommerce, we will change the face of poverty through decentralized inheritance.

\*Not guaranteed

# Frequently Asked Questions

Q: This is ridiculous, Is this a scam?

A: No this is not a scam

Q: Can this really make me wealthy?

A: Yes, we're going to reach a market cap of 15 billion\*

Q: Can I actually use this for inheritance?

A: Sure, you absolutely can!

# Conclusion

If you don't immediately buy Fortune Coin after reading this whitepaper, you'll never build wealth and escape from poverty. If you think that good deeds and giving to charity is all you have to do, you're wrong - it is only by holding Fortune Coin. Fortune Coin is guaranteed to overtake Ether as the 2nd most valuable cryptocurrency by 2025 and Bitcoin as the most valuable by 2035. \* Seriously, ask yourself how it's viable that FORTUNE COIN could not be the most valuable cryptocurrency - it's basically blasphemy. Finally, the world's greatest demographic of consumers devotees, have their own cryptocurrency. Join us as we use the cryptographic breakthroughs of the blockchain to win back Wealth and end poverty for all of us!

\*Won't actually happen

Again, Fortune Coin and its creators promise absolutely no earthly functionality or benefits through the use or holding of Fortune Coin beyond that of a durable, transferrable blockchain digital token or coin, nor is any valuation of Fortune Coin in terms of any real-world assets, including fiat currencies or other blockchain tokens/coins, represented or guaranteed.
